Should this become necessary, all reasonable steps will be taken to apply rejections fairly across the various age groups. Should this apply to the 1500m-FS (3 heats maximum) & 800m-FS (5 heats maximum); then proportional consideration will be given to both male and female competitors.

## PROMOTER'S CONDITIONS.

18. Provisional lists of all finalists (8+2 reserves) will be posted in the entrance to changing rooms, and repeatedly announced; as soon as possible after the heats conclude. **It is then the responsibility of all listed swimmers (8+2 reserves) to notify the Recorders, only if they wish to withdraw; and to do so within 30 minutes of this posting/announcement. If a swimmer does not withdraw the assumption will be that they will swim the final; (or be available to be called as a reserve).** In the event that more than 2 finalists subsequently withdraw; then no additional reserves will be called.
19. Competitors in all individual events will be seeded in accordance with their entry time, with all heats being run 'slowest first'. All heats and all finals will be spearhead seeded. (Cyclical seeding will not be used).
20. All relays will be decided on the HDW basis, each team consisting of 4 swimmers. Nomination of team members (but not their swimming order) must be made a minimum 30 minutes before the start of each session; on the forms provided.
21. 'Over-The-Top' & 'Side-by-Side' starts may be used throughout the Championships, other than for 50m events and all finals. When 'Over-The-Top' or 'Side-by-Side' starts are in use, and with reference to FINA rule SW 10-14 which states that swimmers who have finished their race or relay leg 'must leave the water as soon as possible'; the Promoter requests that in the interest of safety and the efficient running of the Championships swimmers remain in the water until the following heat is underway or until otherwise released by an authorised official.
22. Timing of Presentations will be at the Promoter's discretion and dependant on session running times; but in principle all presentations will be made as soon as practical after the event finishes.
23. Full details of all presentations and awards will be included in the published daily competition programmes.
24. Responsibility for the behaviour of all competitors, whether on the pool deck or elsewhere within Coventry Sports Centre; lies with the club in whose name their competition entry has been made.
25. The *Promoter* wishes to remind everybody attending these Championships **that all forms of photography** within Coventry Sports Centre are prohibited by order of Coventry Sports Trust; unless an appropriate permit has been issued by prior application. With this in mind participating clubs will be expected to monitor and restrict the use of mobile phones & tablets on the pool deck.
26. In line with current Child Protection recommendations, Warwickshire ASA request that all clubs participating in these Championships provide names and current valid DBS or CRB numbers, which have been verified by the club's Welfare Officer; for all Team Managers - Coaches - Chaperones - poolside helpers etc. Poolside passes will then be issued to the named club member, and these will need to be worn at all times in order to gain access to the poolside and/or changing rooms.
27. Entry fees (**unchanged from 2017**): Individual event £4:50, Team Relay £15.00; Poolside pass £20.00 to cover all 4 competition days. **Clubs may request as many Poolside Passes as they wish, but will not be charged for more than 4. 28. A competitor may represent 1 club only, throughout these Championships.
29. Electronic entry files must be sent via email to the Championship Administrator, and received by the closing date, **Midnight Friday 29 December 2017**, after which the Promoter will not accept any 'Improved Entry Times'; nor will pool side entries be accepted during the competition.
